About Jain Irrigation Our Company, Jain Irrigation Systems Limited (JISL) with it's motto 'Small Ideas, Big Revolutions' with more than 10,500+ associates worldwide and revenue of USD 1.2 Bn, is an Indian multinational company with manufacturing plants in 30 locations across the globe. In the coming year, the Company would follow a mix of strategies in various markets-while consolidating in some matured ones and taking advantage of growth opportunities in certain others. The Company has grown its consolidated annual revenue by 10% and maintained its profit margins with a 15% increase in consolidated annual net profit. It has also ushered in new concept of large scale Integrated Irrigation Projects (IIP). This growth has been made possible mainly by good performance in the first three quarters, which was offset by a subdued performance in the fourth. Neither Jain Irrigation Systems Limited, nor their or their affiliates' officers, employees or agents shall be liable for any loss, damage or expense arising out of any action taken on the basis of this release, including, without limitation, any loss of profit, indirect, incidental or consequential loss. JISL, its subsidiaries and associates are engaged in manufacturing of Micro Irrigation Systems, PVC Pipes, HDPE Pipes, Plastic Sheets, Agro Processed Products, Renewable Energy Solutions, Tissue Culture Plants, Financial Services and other agricultural inputs since more than 34 years. It has pioneered a silent Productivity Revolution with modern irrigation systems and innovative technologies in order to save precious water and has helped to get significant increase in crop yields, especially for millions of the small farmers. In the fourth quarter, our businesses were subdued due to reasons like low farm produce realisations, drought conditions in certain parts of India, a slowdown on account of the code of conduct of elections, inadequate availability of capital to the farmers. JISL is listed in NSE-Mumbai at JISLJALEQS and in ESE at code 500219. This impacted the collections in the short term.
